

Project Vehicles

Dear Sirs, Partners and Friends,

I would like to take this opportunity to thank you for the confidence you have shown us in the past. For many years now WEM is known as a reliable supplier of 4WD project vehicles to meet the special requirements for your project. Individual, flexible & fast!

*Our duty is our passion.
We are more than happy to be your dedicated partner.*

Our mission:

As a procurement organization we offer our services worldwide especially to NGO's, Missionary Societies, Churches, Christian Donors and their partner organizations overseas. With major manufacturers, like Toyota, WEM is recognized since many years as an official procurement organization with special contracted rates for vehicles ex factory (Japan) or ex stock.
